

Convert Google Slides to Animated GIF

1 Click the **File** menu, go to **Download**, and click **PDF Document**.

2 Open a browser tab and go to:

3 **Upload** the PDF that you downloaded from Google Slides.

4 Checkmark **Create animated GIF**.

5 Enter **delay time** in hundredths of a second.

A value of 50 is 0.5 seconds.

6 Click the **Convert to GIF button**.

7 Click the **Save** button.
